Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.

BJC ROUNDUP

BOISE, IDAHO
NOVEMBER 7, 1956

Queen Finalists Selected

Joretta Moeller

Gail Fulton

Sherry Purvis

Judy Williams

Ardis Swan

Royalty for This Year's Homecoming Consists of 3 Blondes, 2 Brunettes

Five finalists for the homecoming queen and court were selected by the male students of BJC in an election held last Thursday, November 1, from 8:00 a.m. to 4:00 p.m. The queen will be chosen by ballot from the five existing candidates.

The five girls chosen finalists are Ardis Swan, Gail Fulton, Sherry Purvis, Judy Williams and Joretta Moeller. Three of the girls are residents of Boise. The other two, Miss Moeller and Miss Swan, hail from Nyssa, Oregon and Richfield, Idaho, respectively.

Gail Fulton is being sponsored by the Engineers club. She is a freshman student and has chosen education as her major. Miss Fulton is 18 years old, has long, blonde hair and blue eyes and measures five feet two inches in height.

Judy Williams is under the sponsorship of Pi Sigma Sigma. She is a freshman studying secretarial science. Miss Williams is 18 years of age, five feet one inch tall with blonde hair and blue eyes.

Joretta Moeller is being sponsored by the Intercollegiate Knights. She is a sophomore with secretarial science as her major. Miss Moeller is 18 years old, five feet six inches in height and has blonde hair and blue eyes.

Sherry Purvis is under the sponsorship of the German club. She is a freshman majoring in pre-medicine. Miss Purvis is 18 years of age, stands five feet one inch in height and has brown hair and brown eyes.

Ardis Swan is being sponsored by the Esquire club. She is a sophomore with elementary education as her major. Miss Swan attended Idaho State College last year. She is 18 years old, five feet two inches tall and has brown hair and brown eyes.

The name of the finalist who is selected queen will remain a secret until halftime of the Bronco-Wenatchee football game. The announcement of the queen and the crowning ceremony will be the highlight of a varied halftime program.

According to John Larsen, chairman of the queen selection committee, the date set for election of the queen will be announced by posters.

Eisenhower Wins in Mock Election

Incumbent candidate for president, Dwight D. Eisenhower, won by a landslide in the mock election held at BJC last Friday. Eisenhower, running on the "Peace and Prosperity" platform, received 241 presidential votes out of a possible 296 cast. Adlai Stevenson, Democratic presidential aspirant, running on the "100% parity for farmers, and the cease draft and nuclear bomb tests" platform, received 51 votes. Pogo, write-in candidate, received 1.

The present near east crisis did not seem to effect the Republican party as they made a clean sweep of the election, with the exception of the senatorial race where Frank Church, Democrat, won over his Republican opponent, 187 to 96.

The voting totals are as follows: Presidential: Dwight D. Eisenhower 241, Adlai Stevenson 51, Pogo 1.

Vice-Presidential: Richard Nixon 220, Estes Kefauver 71.

Senatorial: Herman Welker 96, Frank Church 187.

House of Representatives, Second District: Hanner Budge 127, John W. Reynolds 107 and Glenn Taylor

The mock election was handled by Ray Martinez, freshman class president, and Ron Barton, student body vice-president.

Father Peplinski Leads Devotional

The Inter-Faith Council announced at their last meeting that Father Raymond Peplinski, pastor of Our Lady of the Rosary Catholic church, in South Boise, will be the leader of the next Wednesday Devotional to be held November 7, at 9:50 a.m. in the auditorium.

Homecoming Activities Will Portray College Life Theme November 16-17

College life has been chosen as the theme for the 1956 BJC homecoming which will take place on November 16 and 17. All phases of the program will relate to the college theme.

Homecoming will consist of two full days of activity at 7:30 p.m. Friday afternoon, November 16. Activities will continue Friday night with the traditional homecoming dance, which the homecoming court will lead.

The homecoming parade will be the second day of activity at 10 a.m. Saturday morning. Saturday afternoon, the Broncos meet the Knights of Wenatchee in a football battle which is the featured event of the homecoming. Halftime the homecoming queen will be crowned, the three winning girls will be crowned and the BJC band will perform. The homecoming dance, entitled "Moments to Remember," held in the gymnasium Saturday night, will be the final activity.

A major change in homecoming this year is the election of the queen and court by the entire male student body. In the past this election was made by the football team.

Homecoming activities will be carried on all of the Boise radio stations, the Statesman, TV channel 2, the school newspaper and

Mrs. Fritchman To Speak at Fireside

"The Prophet or the Apocalypse" will be the subject discussed by Mrs. Beverly Mays Fritchman at the Morrison Hall lounge November 7 at 7:30 p.m. Having been a student of religion for a number of years, Mrs. Fritchman is well prepared to deal with this theme. She was born and raised in Boise. After finishing Boise Junior College, she went to Stanford where she took her BS and MS degrees in the field of chemistry. For the past four years she has been teaching chemistry here at the college.

This fireside meeting at the Morrison Hall lounge is sponsored by the Inter-Faith Council. After Mrs. Fritchman brings her message, there will be a period of questions and discussion by those present.

numerous posters. A complete TV program, highlighting the homecoming events, will appear over KBOI, channel 2, November 16 at 2:30 p.m.

Gordon Colburn, publicity chairman, requests that all information which needs to be publicized, be turned in to him at least two days in advance of publication date.

HAVERS, INC. No union cards were needed last Thursday as the Valkyries set up their "shaving booth" to peel the whiskers (and skin) off over-anxious king beard contestants. No serious casualties were reported, however... Band-aid, anyone?

IN OUR OPINION...

From some of the rumors we've picked up here and there around campus it sounds like full-scale war might be breaking out in the immediate vicinity before long.

Seems the C. of I. have lost their victory bell and are blaming it on, of all people, the sweet, innocent BJC fellas. Another misconstrued opinion they have is the identity of the party who pre-burned their homecoming bonfire. Anyway, as could be expected, they didn't think too much of the theft and arson and a proclamation has been handed down to all C of I frosh from their superiors stating that the bell has to be brought back and or the BJC homecoming bonfire will have to go. If these deeds are not completed before Nov. 16 very serious things will happen to the frosh such as being campused for a couple of weeks, wearing drosh dinks for a month, etc. So now they have the incentive but the trick is to do it.

One rash statement came from the C of I campus asserting that our bonfire would go up in flames and there wouldn't be a C of I student within 50 feet of it. Now that leaves much room for speculation. Perhaps they're procuring a war surplus flame thrower to do to deed. Or maybe they're whipping up some "Molotov Cocktails" which are nothing more than miniature napalm bombs. If the latter is the case then all we have to do is rent an anti-aircraft cannon and shoot their planes down. Simple?

They have already tried burning a "CofI" on our football field but were gently sent on their merry way by the law.

So the challenge has been made and it is up to every able-bodied BJC student to combat it. Protecting the bonfire isn't just the job of the dorm students and the I.K's, it is up to us all. Let's see if we can repel their so-called invasion!

Since coming to BJC we've wondered why the Student Union isn't kept open in the evenings. Well, if wondering gets results then things are beginning to materialize. Plans are being made to keep the S. U. open two or three nights a week from 7:00 'till 9:30 for all BJC students. The fountain, juke box and tables will be available.

We understand this was tried a few years ago but it turned into a high school ball, so this time student body tickets will be checked. Without student support it can't financially go over so it is up to all students to see whether or not it will remain open.

Elsewhere on this page the Roundup has polled several of the students for their opinion as to whether or not this is feasible.

In accordance with its designated purpose, the Roundup publishes news of campus activities and events each week. Although we admit the fact with red faces and bowed heads, we must confess that complete coverage of all significant campus news is a goal far above our meager journalistic talents.

Although the goal of complete coverage has not been achieved, we think that with your help, the situation will advance in that direction. Realizing the fact that the Roundup staff is too small for complete campus coverage we therefore solicit the help of every reader of the Roundup in helping us attain this goal.

One does not need a "nose for news" to submit articles to us. Just write the pertinent facts on paper and we will assemble them in the proper newspaper fashion. Although space limitations sometimes prevent articles from appearing in the Roundup, we will strive to cooperate with all persons submitting news articles to us. With your cooperation in this matter, we feel that the Roundup can serve the students and faculty much more efficiently.

One aspect of Homecoming this year we are happy to hear of is the choosing of the queen by the entire student body. Nothing against the football players voting for her but this way BJC students have a privilege which should have been theirs in Homecoming week-ends of the past, that of selecting the queen themselves.

Due to the lack of material available at the time of deadline the Roundup had to move its publishing date up one day. With homecoming queen finalists voted upon Thursday and the straw vote Friday it was entirely impossible for us to meet our Thursday deadline. Everybody gets a little mixed up during the pre-homecoming week and we are no exception. - b. b.

IN OTHER PEOPLE'S OPINION...

(Editor's Note: The question has been brought up before the student council, whether or not it would be feasible to have the Student Union open two or three nights a week. A general survey has been taken of several students, to determine whether the general consensus of opinion is for or against such an undertaking. The question and opinions are as follows).

Question: What is your opinion about having the Student Union open to the students two or three nights a week? This would include the juke box and the counter. Do you think the students would be in favor of it and support it?

Answers:

Gladya Pollard, Freshman, Off Campus Student: "I think that it

Miss Nuroi Kurd, left, freshman student from Istanbul, Turkey, is a guest in the home of Nancy and Billy Baldrige. Miss Kurd and Nancy Baldrige became acquainted through "pen pals" four years ago.

would be a good idea. It would give the college group a place to gather. I think that the kids would support it; but maybe it should be opened on a trial basis."

R. A. Nichols, Off Campus Student: "I would be for it because during the evening when a student would like a cup of coffee, etc., he could go over to the Union and get it, instead of all the way down town. Of course students would have to use a little self discipline so as not to spend the whole evening there."

Betsey Dudley, Freshman, Dorm Student: "I believe the opening of the Student Union will create a closer feeling between the dorm students and the Boise students."

Marge Jones, Sophomore, Off Campus Student: "I think most of the students study on week nights so I doubt if this schedule would receive much support. Trying it on a one week trial basis might not be such a bad idea however."

Jan Hass, Sophomore, Dorm Student: "I think that quite a few of the students would like to have the fountain and juke box open two or three nights a week. I know I would like it."

LeRoy Howard, Sophomore, Off Campus Student: "I would be in favor of this. It would give the kids from the dorm a chance for a little entertainment, like pinocle, if nothing else."

Nora Perez, Freshman, Off Campus Student: "I think it would be nice to have the Student Union open two or three times a week. It would bring students more closer to each other."

Tom Nichihara, Freshman, Dorm Student: "I believe it would be a good thing, socially, because we will get to know and understand each other more thoroughly."

Lee Eymen, Freshman, Dorm Student: "Yes, it would give the kids a place to go especially the ones in the dorm who have to be in at a certain time."

Doug McEwan, Sophomore, Off Campus Student: "Yes, I think it would provide nice social gathering to break the monotony of long nights of study, which I am sure the dorm kids are used to. I think it would be well supported."

Gerald Diffendaffer, Sophomore, Off Campus Student: "I do not think it will be open because I do not think the revenue will be sufficient enough to merit the heating of the building, the lights, and also the paying of the employees. It would serve as an excuse for students to put off the required school work."

Roy VanCleaf, Sophomore, Dorm Student: "It would probably be a very good idea, provided that enough of the students are interested enough to make it a worthwhile proposition."

George Hartman, Sophomore, Off Campus Student: "Yes, I think it would be nice for the people who live on the campus. A coffee break after a few hours study goes pretty good, that is, if enough students are interested to make it worth while."

Hlene Wesner, Sophomore, Dorm Student: "Yes, I think it would be a good idea, but it will have to be supported by the students. I think that quite a few problems will have to be solved first."

Mike Polansky, Sophomore, Off Campus Student: "I think that it would be a good idea to have it open at least once a week at night. A few kids from the dorm probably would come and also the kids from the homes."

Friendship Turkish

Why Miss Kurd the way from Istanbul, Turkey, enroll as a freshman at Boise Junior College and to her private life she started her school.

It seems that Miss Kurd came from Calicut, India, of the name Nuroi speaks that her students are pals in America. The young Turkish girl is acquainted with the Baldrige in whose home she is a guest.

Nancy is working a year of nursing at Luke's hospital. Miss Billie Baldrige, sophomore at BJC, is to her new school is studying psychology for which she has a great need in her life.

Vets Cor

GI home loan appraisal activities in September, VA registration announced.

However, VA of new homes inspection remains same as in August, compared to the previous year.

VA received 41 applications in September, or 4,057 in August.

During September appraisal requests proposed and existing increase of 15 percent. August total of \$4,356,019 units, 30,007 new homes and 26,012 new homes.

Question of the Week: Q. I am eligible for medical treatment from VA. I simply go to my own doctor to send the bill to VA?

A. No. You must obtain authorization from VA for treatment.

The right tire of an automobile does 34% of the work in the left rear, 29%; the front 19%; the front left, 14%.

Many a man has carved a tombstone by chasing a woman. When you're average you're close to the bottom as you are to the top.

LITTLE MAN ON CAMPUS

by Dick Miller

IMPSES OF PAST HOMECOMINGS . . .

1955 homecoming pep rally and bonfire with "King Beard" Bud Phillips in the foreground. "dots" in the picture are not balloons but merely the start of the first snowfall of the year.

The Boise Junior College gymnasium where this year's homecoming dance is to be held. The gym has last year for a dance last year at the spring formal with Jerry Gray's orchestra supplying the music.

A Brief History of Events From Past Boise Junior College Homecomings

With the drawing near of "Homecoming", there is much excitement fluttering around the campus. Each year homecoming is a time which is really looked forward to.

In the homecoming of 1954, the Broncos made a smashing win of 20-7 over the Pasadena Lancers. Pat Dolan was selected to reign over the homecoming game and was crowned by Ron Ehlers during the half-time.

"King Football" was the theme chosen for the homecoming dance, and the music was furnished by Bill Rhodenbaugh's orchestra. Pat Dolan was re-crowned by the student body president, Bob Fulwyler, during the dance.

Student of the Week

Having arrived in Boise after only six days on American soil, Jerry Bujakowski began his college life on our campus. He landed in San Francisco after be-

Jerry Bujakowski

ing on the ocean six weeks following his departure from his home in Calcutta, India.

His father having been a pilot in the R.A.F., Jerry has become quite a travel expert. At the age of nine, he moved with his family from Driskienaki, Poland, where he was born March 30, 1939, and journeyed to Karachi, India by way of England and Africa. From Karachi he went to Calcutta.

He attended a school in Darjeeling on the slopes of the Himalayas for a while but soon returned to Calcutta to attend high school, a branch of Cambridge University. After graduation, he left on only two hours' notice, sailing for the United States via Japan to enter college here. Jerry's reasons for going to school at BJC are varied. First of all, he wanted to choose a junior rather than a senior college, and secondly of all the colleges he heard from, he received the most pleasing letter from our college. However, the main reason is that the weather in Boise is fairly cool in the winter, and since living in India, he cares very little for hot climates.

Jerry's extra-curricular activities here are limited by school and part time work on campus. However in India he enjoyed fishing,

Blaine Smith won the title "King Beard" in the beard growing contest.

In the placing of the prize winning floats, the Newman club's horn of plenty theme, "What Will the Harvest Bring," walked off with top honors. Riding on this float were Diana Aburusa, Ruth Iverson, and Adriana Arregui. Placing second in the contest was the FTA float and placing third was the Pi Sig float.

Last year BJC's homecoming was spoiled when the Trojans of Everett knocked the Broncos out of the undefeated ranks with a 21-20 win.

Anne Donnelly reigned as queen over the homecoming game and was crowned during the half-time by the homecoming chairman, Tod Seagraves.

"Autumn Leaves" was the theme for the annual homecoming dance and everyone danced to the music of Bill Jamison's orchestra. That evening Anne Donnelly was re-crowned by Rod Walston.

The beard growing contest was won by Bud Phillips who acquired the title of "King Beard."

Last year the Valkyries walked off with top honors with their prize winning float. Decorated to the theme of "Moments to Remember," it carried Mary Stewart and Paul Taylor.

hunting, archery, raising fish, swimming and tennis. In fact, since no one going to school there works during the holidays, all of their time is devoted to "swimming in the morning and playing tennis in the afternoon."

During his sojourn in India Jerry toured much of the country. Flying with his father he saw the Himalayan mountains, including Mount Everest, a sight to him "quite awesome." As their plane could not rise to more than 19,000 feet they had to fly between the peaks, 24,000 feet being their average height.

Although he is now majoring in engineering, Jerry does not yet know what vocation he will go into. He likes math, however, and this made him, for the time being, decide on an engineering curriculum.

Public Invited to F. T. A. Meeting

The public is invited to an address of the Future Teacher's Association at the Campus school Nov. 7, 7 to 8 p.m. on Idaho and the Teacher Problem. The principal speaker is chairman of the Idaho educational intern committee and is a former state legislative representative, James Hayce.

Other honored guests to speak at the meeting include: Eugene H. Chaffee, Boise Junior College president, Dr. A. H. Chaffee, dean of the faculty, principal of the Campus school, Loren Hicks, Thelma Rea, public relations director for Boise Public schools, and members of the Campus school faculty.

Blood Drive Here

The annual Red Cross blood drive moves to the Boise Junior college campus this Wednesday to solicit student and faculty donations.

Student service organizations have circulated donor sheets during the past two weeks, but spokesmen for the organizations state that "donations are way under the school's 127-pint quota."

Volunteers are asked to go to the Student Union ballroom, between 11:00 a.m. and 3:00 p.m. this Wednesday, Nov. 7.

Correction

Due to the fact that November 12 is a school holiday, the Jazz assembly which was scheduled to take place that day will be postponed. The new date for the assembly is the following Monday, November 19, at 4:00 p.m. in the Student Union Ballroom.

News

Officers for Ensuing Year Announced by B-Cubes

Officers for the ensuing year of the B-Cubes were announced at a meeting held in the Student Union Ballroom, Wednesday, Nov. 7. The officers are: President, Mary Stewart; Vice President, Paul Taylor; Secretary, Mary Stewart; Treasurer, Paul Taylor; and Public Relations, Mary Stewart.

Members of the club are all students of the college. Meetings are held weekly on Wednesday nights at 8:00 p.m. in the Student Union Ballroom.

Canterbury Club Dance

The Canterbury Club is planning a dance on Wednesday, Nov. 7, with the College of Idaho Canterbury group. All friends are urged to attend. The dance will be held at 8:00 p.m. in Mrs. J. H. Smith's music building.

Broncs Annihilate Ricks,

Six Blue-Gold Players Cross Goal Line As Boise Gets Tie For League Crown

Six Boise Broncos scored touchdowns last Saturday afternoon at Bronco stadium as the capital city smothered Ricks JC 61-0.

By virtue of their win the Broncos clinched a tie for the Intermountain Collegiate Athletic Conference championship with a 4-0-0 record while co-titlist Dixie stepped out of conference play this last weekend and took a 54-6 shellacking from the BYU Frosh.

BJC scored early in the game after end Ben Crabbe recovered a Ricks fumble on the Rexburg 24. Five downs later tailback Paul Han scored and LeRoy Garland kicked the extra point.

Just a few minutes later Crabbe again set up a BJC touchdown when he blocked and recovered an attempted punt on the Viking 30. George Kane scored the first of his two counters as he snared a pass from Han. Garland converted and the score stood Boise 14, Ricks 0 with some seven minutes left in the first quarter.

Kane scored once again to close out the first period with a 61-yard romp and Garland's PAT try was good and BJC led 21-0.

Coach Lyle Smith's charges scored only once in the second quarter and that was on a pass from halfback Stan Oliver to fullback Bill Johnson in the left flat on the Ricks 19. Johnson picked up a key block from end Wes Jones and then scampered into the end zone. The half-time score was Boise 28 and Ricks 0.

The host team hit paydirt three times in the third quarter as Han scored on a walk around right end, Oliver plunging over from six yards out and Dick Woods scoring on a 10 yard pass from Oliver.

Bob Behr capped the scoring as he drove for two td's, both from inside the one yard line. Ken Saylor booted two second half extra points and Rich Hancock the other.

Washington Squad Loses First Game

Both of Boise's two remaining foes came out on the short end of the score in games played a week ago this last Saturday.

In games played October 27 the Everett Trojans fell before Olympic, Washington, by a 19-12 score. The loss gave the Trojans a 2-4 record (not including last Saturday's results).

Boise's homecoming opponent this year, Wenatchee, who leads the Washington league got dumped 12-6 by the number three team, Grays Harbor. The loss gave Wenatchee a 5-1 record.

The past weekend's action found Everett and Yakima colliding in a battle for fourth place and Wenatchee went against Lower Columbia.

Director Says Bus Will Be Available

William Gottenberg, director of student affairs, announced today that a chartered bus will be available to students wishing to attend the BJC-Everett game at Everett if enough sign up.

The bus will leave early Saturday morning and return to Boise right after the game. The cost of the trip will be \$14.90 per person plus meals. Students may sign up in Mr. Gottenberg's office.

The BJC band will also make the trip to Everett under the direction of John Best.

Broncos to Battle With Everett JC

Boise's high riding Broncos will invade the confines of Everett Junior College's football field for an 8:00 p.m. game this Saturday.

Leading the Trojan attack will be sophomore halfback Tony Softli who was instrumental in Everett's 21-20 upset over Boise last year. The 5-9, 175 pound speedster from Seattle was the leading ground gainer for the Trojans last year. The Washington line will feature 6-1, 205 pound guard Ron Oliver, a highly touted sophomore from Spokane. Heaviest man up front will be 230 pound freshman Dan Sullivan.

The biggest problem confronting the BJC coaching staff will be the tailback slot. The Broncos have lost the services of Dee Taylor for the remainder of the season and Babe Anduiza and Ron Heffner have been ailing with injuries but they may be ready for action this Saturday. In order to add depth to the left half spot Jerry Emerson was moved into that position for last week's encounter against Ricks.

Last year EJC ruined the Boise homecoming festivities with a 21-20 win. In 1954 the Broncos came out a 26-19 victor and also won 19-13 in 1953.

Maravilla To Fight At BJC on Friday

Roque Maravilla, former Bronco footballer now turned pro boxer, will appear in Tex Hager's preliminary matches this Friday evening at the BJC gym.

Maravilla, who hails from Nampa and is attending classes here, will meet Bob Stratman from Seattle. The two are scheduled for a six round light-heavyweight bout.

The main feature on Friday's card is a match between Harry (Kid) Mathews and Chief Alvin Williams of Kansas City. The two heavyweights are slated for a 10-round and for the 34-year-old Kid is will be his first fight on the comeback trail.

Stan Oliver, BJC halfback, flies over the goal line to score BJC's sixth touchdown as they defeated Ricks JC, 61-0.

Student Body Prexy Receives Telegram From Junior Rose Bowl Committee

Gleora Spackman, student body president, recently received a telegram from Roland D. Gibbs, Junior Rose Bowl game chairman.

The context of the telegram was as follows: "I would like to notify you and your fellow students that your football team is being considered for the Junior Rose Bowl game December 8 in Pasadena."

Broncs Rank Fifth In National Rating

For the second successive week (November 1-8) Boise Junior College retained the number five spot in the National Junior College Athletic Association poll in spite of a 47-0 victory over College of Southern Utah.

Coffeyville, Kansas, retained its number one spot with a 7-0 record and ran up a 73-0 score against its latest opponent. If Coffeyville continues to hold the top rating they will be the western team given first chance for the NJCAA bowl game in Los Angeles on December 15 and also will have strong preference for the Junior Rose Bowl on December 8.

In second place is Mesa, Colorado, with a 5-1-0 slate followed by Victoria, Texas, in the third position with a 5-1-0 mark. Fourth place is held by Tyler, Texas, with a 5-1-1 standing, followed by Boise

The name of this column originates out of a column entitled "Horse" which appears in one of Oregon's papers.

So it is that every must follow the lead of the school team. It's the Broncos they wander the sign... "Horse".

TOPIC OF THE WEEK

Since Boise Rebels have won champs many people their opinions conference schedule. Booster of the team a challenge last playoff game to down Average Booster that Dixie would challenge and block usual routine.

But after all who team endager the playoff game when the is the conference schedule the other members of the knock each other on the sails merrily over the BJC petition. Fate played a hand and the Broncos held the crown this year, but it should be remembered the biggest of all conquests is a bid, preferably the Junior Bowl.
